CHAPTER 7 COMMAND INSPECTIONS

As part of the 2010 Command Inspection Program, attached is Hayward Area's **Area Management Evaluation** referenced in HPG 22.1, Area Resources Management Guide, Chapter 7 (Illness and Injury Case Management). In preparation of the audit and the comm-net requiring mandatory inspections, the staff and I conducted a number of audits on programs that I was informed would be inspected. Attached are the Command Inspection Program, Inspection Checklists and Exceptions Documents for Chapters 7 of HPM 22.1, Command Inspection Program Manual.

There were no discrepancies found during the Chapter 7 inspection and the Hayward Area provided several valuable suggestions to improve the command's efficiency. Should you have any questions, please contact me direct anytime at (510) 489-1500.

M. W. MULGREW, Captain
